CODE CLUB EXPRESSION OF INTEREST

11 February 2016

Dear Parents and Carers,

To assist students to develop their problem solving, mathematical and logical thinking skills, students in Years 3-6 have the opportunity to join our school’s code club. The students in the club will participate in computer programming activities including making games, animations and websites on Wednesday or Thursday mornings before school from 8:15am, commencing on 17 February.

If your child is interested in joining this club, please sign the slip below and return it to Mr Heinecke. All students will need to create an account on Scratch from home, before joining code club. They can do this by going to www.scratch.mit.edu and clicking on the join button.

There are limited places available and spaces will be filled by the first students to return this note to Mr Heinecke. He will be accepting notes in the amphitheatre from 8:30am on Friday 12 February. Students who are successful will receive a note confirming their place.

VENUE: Croydon Public School’s Computer lab
TIMES: Years 3 & 4 and members of the Senior choir: Wednesdays, 8:15-9am
Years 5 & 6: Thursdays, 8:15-9am
COORDINATING TEACHER: Mr Heinecke

Yours sincerely,

Cathy Lucantonio Ben Heinecke
Principal Deputy Principal
